

CUYAMACA RANCH

A 2,117 ACRE PROPERTY ADJACENT TO LAKE CUYAMACA AND THE CUYAMACA RANCHO AND ANZA-BORREGO DESERT STATE PARKS

Located adjacent to popular Lake Cuyamaca, Cuyamaca Ranch is one of the largest and most spectacular private properties in the San Diego back country. The 2,117-acre ranch is surrounded by thousands of acres of permanently protected open space (see Lucky 5 Ranch description), recreation lands and wildlife habitat within the Cuyamaca Rancho and Anza-Borrego Desert State Parks. With its significant and diverse natural resources, including montane meadows, pine forests, oak woodlands, wildflower displays and ample water, Cuyamaca Ranch was of great interest to conservation groups, public agencies and private, conservation buyers. Conservation Land Group represented the ranch owners in the sale of the property to The Nature Conservancy in January 2002.
